

PROTECT MARRIAGE

The definition of marriage is facing a new attack in our courts and we need your help - now more than ever - to protect marriage in Pennsylvania. We urgently need your prayers and your voice.

Attorneys representing a woman who was “married” to her lesbian partner in Canada have recently petitioned the court to declare Pennsylvania’s marriage law, which states marriage is between one man and one woman, to be unconstitutional. That means a single judge could, by his decision, rewrite the definition of marriage in the state to allow same-sex marriage. It was not unlike this scenario that led the high court in Iowa to legalize same-sex marriage there in 2009.

The only way to protect marriage for generations to come in Pennsylvania is by passing a Marriage Protection Amendment to our state’s Constitution – something 30 other states have managed to accomplish.

For years now the people of Pennsylvania have been denied the opportunity to vote on this constitutional amendment. Our State Senate and State House of Representatives must pass this amendment twice before being placed on the ballot.

Right now, along with this court case, activists are working overtime to attack our marriage law and to deny us the legislative votes needed to place this amendment on the ballot.

We need your help to stand for truth and to honor God’s design for marriage as Husband and Wife. Here’s what you can do to stand up for marriage:

1. PRAY THAT MARRIAGE IS PROTECTED IN OUR LAWS, IN OUR COURTS AND IN OUR HOMES.
2. EDUCATE YOURSELF ON THE ISSUE (START BY VISITING OUR WEBSITE).
3. CALL, WRITE & VISIT YOUR STATE SENATOR AND STATE REPRESENTATIVE AND SAY: “PLEASE SUPPORT A MARRIAGE PROTECTION AMENDMENT.” IF YOU NEED THEIR CONTACT INFORMATION, CALL US AT 1-800-FAMILY-1 OR EMAIL MAIL@PAFAMILY.ORG
4. ENLIST THE HELP OF YOUR FAMILY, FRIENDS, PASTOR AND CHURCH TO SPREAD THE WORD.
