

LOVE THY NEIGHBOR AS THYSELF.

Right now, Pennsylvanians have a short window of opportunity to preserve in law the union of one man and one woman. The Pennsylvania Marriage Protection Amendment is in the hands of the Pennsylvania legislature. If we are successful in amending our State Constitution, marriage in Pennsylvania will be limited to one man and one woman, thus preventing civil unions or other counterfeit forms of marriage.

Love Thy Neighbor as Thyself.

"You shall love your neighbor as yourself. Love does no wrong to a neighbor; therefore love is the fulfilling of the law." (Romans 13:9-10)

Why protect the Biblical idea of marriage? As long as the church recognizes marriage as the union of one man and one woman, does it matter what the state declares? Protecting marriage glorifies and honors God. But it also fulfills the great commandment to love our neighbors as ourselves.

Act in Love.

If we take action in Pennsylvania to uphold the Biblical view of marriage, we act lovingly towards the children of this country. We affirm the importance of nurturing mothers and leading fathers. Likewise, we love our non-Christian neighbors by reminding them that marriage is an institution created by God, not simply a tradition or cultural convenience.

Love Every Neighbor.

Finally, we even act lovingly towards our neighbors who desire to marry someone of the same gender. We can, in love, emphasize to the supporters of homosexual marriage that this life is not about our individual choices or desire, but by grace accepting God's will for our lives. So please, love your neighbor as yourself and protect the Biblical idea of marriage.
